# SUMMARY OF CLASS I SCHOOL QUESTIONED PAYMENTS JULY 2005 THROUGH AUGUST 2006

This document is a confidential record issued by the Nebraska Auditor of Public Accounts.

Issued on October 2, 2006

# **APA Summary of Evaluation Procedures**

The Auditor of Public Accounts (APA) was requested by Senator Ronald Raikes, Chairman of the Education Committee of the Nebraska Legislature to examine payments made by Class I school districts. The period covered by our evaluation included payments made between July 2005 and August 2006. Our evaluation included the following procedures regarding payments made by Class I school districts:

- 1. On July 3, 2006, a letter, signed by State Auditor, Kate Witek, and the Commissioner of Education, Doug Christensen, was sent to school districts who received the Class I schools that were dissolved (receiving school districts). The letter recommended the receiving school district carefully review the records of the Class I School Districts and to contact their attorney to address any legal action that may be necessary.
- 2. On July 21, 2006, Deann Haeffner, Deputy State Auditor, sent an email to all receiving school districts inquiring about payments to Class I's United, Nebraskans for Local Schools, or other questionable payments made by the Class I School Districts. Responses were requested by August 9, 2006.
- 3. We summarized the information obtained from the school districts as documented in **Exhibit A**.

# **APA Summary of Evaluation Results**

The overall summary of our evaluation, as listed in **Exhibit A**, noted:

- 1. The total payments made to Class I's United were \$149,113. These payments consisted of dues, \$22,275; legal fees, \$39,500; donations, \$67,058; and payments for unknown purposes, \$20,280.
- 2. We also noted several other questioned payments, as follows:
  - South Akron Public School paid for a limousine as transportation of students from Albion to a Hastings museum. Two checks were written in April and May of 2006 totaling \$1,349.27.
  - Stull Public School entered into a contract with a teacher in June 2006 in excess of \$100,000.
  - District 505 Colfax County wrote two checks to Class I's United on a cooperative account each in the amount of \$5,000 dated July 15, 2005 and February 21, 2006.
  - A \$12,000 check was written from Custer County Cooperative on behalf of Berwyn School on June 9, 2006 to Class I's United.
  - Payments made to Class I's United were made from the Custer County Cooperative in the amount of \$10,000. This information was not made available to the receiving school district.
  - Class I District 044 Dawson County paid 3 individuals \$700 each (a total of \$2,100) for "Pre-pay transportation 06-07".
  - Ashby Public School (Class I) made a \$150 payment for secretary fees. A portion of the payment was for July and August 2006 when the school was no longer in existence.
  - Good Cheer Public School (59-0048) wrote 2 checks for July and August to the district bookkeeper totaling \$337.48. These pre-payments were for services to be provided after the dissolution of the school. Any such services needed after June 15, 2006 would have been the responsibility of the Class III school that absorbed all of Good Cheer's assets.
  - Funk Public School District 74 made payments to Buffalo County Class I Cooperative in the amount of \$21,975.80. Of this amount, \$1,000 went to Class I's United for legal expenses.
  - Phelps District R 4 (69-0504) paid Recknor, Albert & Associates Law firm \$523 for phone conferences. An individual was also paid \$500 for an LB126 Forum.
  - Standard Public School (78-0023) made several payments to Recknor, Albert & Associates Law firm totaling \$1,636. The Class I auctioned off all its assets including computers and digital cameras for \$1,080.
  - In the response to our request, the Superintendent indicated he felt that Prairie View School District had excessive charges for a field trip experience for three students. We requested the additional information related to these trips; however, we were not provided with additional information.
  - Glen Public School (83-0002) wrote several checks to the teacher, which was above and beyond her monthly wages. The checks totaled \$41,069.53 and included

payments of \$14,223 for a field trip to Hawaii, over \$7,500 for History Day/Glen Day, and other various payments including over \$5,000 in payments with no explanation.

- Buffalo County Class I Cooperative paid \$500 in Dues and \$2,000 in additional contributions to Class I's United. Dawson County Cooperative paid \$100 to Class I's United.
- 3. Based on the Districts that responded regarding Class I questions, we noted a total of \$337,033 that was placed in various escrow accounts by the Class I schools before they were dissolved by LB 126.
