BACKGROUND

The Charitable Gaming Division of the Nebraska Department of Revenue was established in 1986 to regulate charitable gaming activities in Nebraska. The Petty Cash Fund is used to purchase information and evidence relating to charitable gaming violations, to pay charges associated with attending a bingo event for the purpose of obtaining information relating to charitable gaming violations, and to pay charges associated with gathering information pertaining to investigations of charitable gaming violations.

MISSION STATEMENT

The Charitable Gaming Division's mission is to oversee all charitable gaming activities to ensure fair play, to collect the gaming revenues owed to the State, to prevent potential undesirable organizations or individuals from engaging in gaming activities, and to provide information to the public on what is required to conduct a legal gaming activity.

NEBRASKA DEPARTMENT OF REVENUE CHARITABLE GAMING INVESTIGATION PETTY CASH FUND

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN EXAMINATION OF THE SCHEDULE OF RECEIPTS, DISBURSEMENTS, AND CHANGES IN FUND BALANCE PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Nebraska Department of Revenue
Charitable Gaming Investigation Petty Cash Fund
Lincoln, Nebraska

We have examined the accompanying schedule of receipts, disbursements, and changes in fund balance of the Nebraska Department of Revenue - Charitable Gaming Investigation Petty Cash Fund for the fiscal year ended June 30, 2006, and have issued our report thereon dated September 7, 2006. We conducted our examination in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our examination, we considered the Nebraska Department of Revenue - Charitable Gaming Investigation Petty Cash Fund's internal control over financial reporting in order to determine our procedures for the purpose of expressing our opinion on the schedule of receipts, disbursements, and changes in fund balance, and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial schedule

being examined may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Nebraska Department of Revenue - Charitable Gaming Investigation Petty Cash Fund's schedule of receipts, disbursements, and changes in fund balance, is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial schedule amounts. However, providing an opinion on compliance with those provisions was not an objective of our examination, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Nebraska Department of Revenue and the appropriate Federal and regulatory agencies. However, this report is a matter of public record and its distribution is not limited.
