Independent Accountant's Report

Mike Linder, Director
Department of Environmental Quality

We have examined management's assertion, included in its representation letter dated October 10, 2007, that the Nebraska Department of Environmental Quality's (the "Department") report dated October 10, 2007, (attached as Exhibits 1 through 4) demonstrated that the test set forth in Section 2.02 (c) of the Master Trust Indenture dated as of June 1, 2000, between Wells Fargo Bank Iowa, National Association, as trustee ("Trustee") and the Nebraska Investment Finance Authority ("NIFA") was complied with relative to the issuance of NIFA's Drinking Water State Revolving Fund Revenue Bonds, Series 2007A issued in the principal amount of \$1,920,000. As discussed in that representation letter, management is responsible for compliance with those requirements. Our responsibility is to express an opinion on management's assertion about compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States and, accordingly, included examining, on a test basis, evidence supporting management's assertion about compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on compliance with the specified requirements.

Certain assumptions in the report prepared and provided by the Department relate to future events, the occurrence of which cannot be assumed because such events and circumstances may not occur as expected. Accordingly, we will express no opinion or any other form of assurance relating to the occurrence of such future events.

In our opinion, management's assertion that the Department's report dated October 10, 2007, demonstrates that the test set forth in Section 2.02 (c) of the Master Trust Indenture was complied with relative to the Bonds, is fairly stated, in all material respects.

This report is intended solely for the information of the Trustee, the Department, and NIFA and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

October 10, 2007

Assistant Deputy Auditor

* NOTE: For purposes of determining the 110% coverage of the Maximum Annual Amount of Principal of and Interest on any State Match Portion of Bonds then Outstanding, the Final Bond Payment in each series is calculated as having that amount in the State Match Reserve Account of the Reserve Fund of each series and being applied to the final payment. The 2000A series final payment would be calculated as (\$1,043,927.50 - \$536,935) \$506,992.50. The 2001A Series final payment would be calculated as (\$343,626.25-\$177,445.00) \$166,181.25. The Annual Amount of Principal of and Interest in the Bond Year (as defined in the Master Trust Indenture of the 2000A, Section 1.01 page 5) ending January 1, 2016 would be (\$506,992.50+\$166,181.25+\$8,626.25+\$171,730.00+\$11,730.00+\$135,260.00+\$10,260.00+\$152,812.50+\$14,606.25+\$158,900.00+\$16,170.00+20,351.25+165,351.25+23,007.50+163,007.50) \$1,724,986.25. The Maximum Annual Amount of Principal of and Interest on any State Match Portion would be the Bond Year ending January 1, 2012 of \$1,747,043.75. The 110% coverage amount is \$1,921,748.13.
