Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with <i>Government Auditing Standards</i>	9 - 10

# SALINE COUNTY COURT

## SUMMARY OF COMMENTS

During our audit of Saline County Court, we noted certain matters involving the internal control over financial reporting and other operational matters that are presented here. These comments and recommendations are intended to improve the internal control over financial reporting or result in operational efficiencies in the areas as follows:

1. ***Segregation of Duties:*** One individual was capable of handling all phases of a transaction from beginning to end.
2. ***Unclaimed Property:*** The County Court did not report and remit trust balances to the State Treasurer that were over three years old as required by State Statute.
3. ***Overdue Balances:*** The County Court did not review overdue case balances to determine what action should have been taken to collect or resolve those balances.

More detailed information on the above items is provided hereafter. It should be noted that this report is critical in nature as it contains only our comments and recommendations on the areas noted for improvement and does not include our observations on any accounting strengths of the County Court.

Draft copies of this report were furnished to the County Court to provide them an opportunity to review the report and to respond to the comments and recommendations included in this report. The County Court declined to respond.

We appreciate the cooperation and courtesy extended to our auditors during the course of the audit.

# SALINE COUNTY COURT

## COMMENTS AND RECOMMENDATIONS

### 1. Segregation of Duties

Good internal control includes a plan of organization, procedures, and records designed to safeguard assets and provide reliable financial records. A system of internal control should include proper segregation of duties so no one individual is capable of handling all phases of a transaction from beginning to end.

We noted the office of the County Court had a lack of segregation of duties as one person was capable of handling all aspects of processing transactions from beginning to end. A lack of segregation of duties increases the risk of possible errors or irregularities; however, due to a limited number of personnel, an adequate segregation of duties is not possible without additional cost. Further, personnel are under the direction of both the Nebraska State Court Administrator and the Presiding Judge.

We have noted this comment in previous audits.

We recommend the County Court and the Nebraska State Court Administrator review this situation. As always, the cost of hiring additional personnel versus the benefit of a proper segregation of duties must be weighed.

### 2. Unclaimed Property

Neb. Rev. Stat. Section 69-1310 R.R.S. 2003, the Unclaimed Property Act, provides any unclaimed property, after three years, is presumed abandoned. Any presumed abandoned property, as of June 30 each year, must be reported and remitted to the State Treasurer by November 1 of each year.

We noted 19 checks totaling \$540 and one trust balance of \$135 which should have been remitted to the State Treasurer's office as unclaimed property. The case with the trust balance had not had any activity since November 2003.

When unclaimed property is not remitted to the State Treasurer, the County Court is not in compliance with State Statute.

We recommend the County Court work to promptly remit all unclaimed property in its possession in accordance with the State Statute.

## COMMENTS AND RECOMMENDATIONS

(Continued)

### 3. Overdue Balances

Good internal controls require a review of overdue case balances of the County Court to determine what action should be taken to collect or otherwise resolve those balances.

One of five overdue case balances tested did not have subsequent action performed by the County Court to ensure collection or resolution of the balance. As of March 29, 2008, total overdue balances, excluding restitution, were \$99,219.

When overdue balances are not periodically reviewed, there is an increased risk the County Court has not taken proper action to collect on monies owed to the County Court.

We recommend the County Court review the Overdue Case Account Report periodically to ensure action is taken to collect or resolve the balances overdue to the County Court.

### SALINE COUNTY COURT

#### **INDEPENDENT AUDITORS' REPORT**

Ms. Janice Walker, State Court Administrator  
Nebraska Supreme Court  
State Capitol, Room 1220  
Lincoln, Nebraska 68509

We have audited the accompanying financial statement of Saline County Court as of and for the fiscal year ended June 30, 2007, as listed in the Table of Contents. The financial statement is the responsibility of the County Court's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the financial statement was prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Also, as discussed in Note 1, the financial statement presents only the County Court's Agency Funds activity and does not purport to, and does not, present fairly the assets, liabilities, and results of operations of Saline County Court for the year then ended in conformity with the cash receipts and disbursements basis of accounting.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the assets and liabilities arising from cash transactions of the Agency Funds of Saline County Court as of June 30, 2007, and the related activity for the fiscal year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 8, 2008, on our consideration of Saline County Court's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

**SALINE COUNTY COURT**  
**NOTES TO FINANCIAL STATEMENT**  
For the Fiscal Year Ended June 30, 2007

**1. Summary of Significant Accounting Policies**

**A. Reporting Entity**

The Saline County Court is established by State Statute and is administratively operated through the Court Administrator's Office of the Nebraska Supreme Court, which is part of the State of Nebraska reporting entity. The Statement of Changes in Assets and Liabilities Arising from Cash Transactions of the County Court reflects only the Agency Funds activity of the County Court; the receipts, and their subsequent disbursement to the appropriate entities for which they were collected. The financial statement does not reflect the personal services expenses of the County Court, which are paid by the Nebraska Supreme Court, or the operating expenses, which are paid by Saline County.

**B. Basis of Accounting**

The accounting records of the County Court Agency Funds are maintained, and the Statement of Changes in Assets and Liabilities Arising from Cash Transactions has been prepared, on the cash receipts and disbursements basis of accounting. Under this basis of accounting, fines, fees, and receipts relating to trust funds are shown as additions to assets and as an increase in the related liability when received. Likewise, disbursements are shown as deductions to assets and a decrease in the related liability when a check is written. This differs from Generally Accepted Accounting Principles (GAAP) which requires the accrual basis of accounting. Under GAAP, Agency Funds would be reported in the Statement of Net Assets. Agency Funds are not reported in the Statement of Changes of Fiduciary Net Assets. Agency Funds are used to report resources held by the reporting government in a purely custodial capacity. Agency Funds typically involve only the receipt, temporary investment, and remittance of fiduciary resources to individuals, private organizations, or other governments.

**2. Deposits and Investments**

Funds held by the County Court are deposited and invested in accordance with rules issued by the Supreme Court as directed by Neb. Rev. Stat. Section 25-2713 R.R.S. 1995. Funds are generally consolidated in an interest-bearing checking account; however, the County Court may order certain trust funds to be invested separately. Any deposits in excess of the amount insured by the Federal Deposit Insurance Corporation are required by Neb. Rev. Stat. Section 77-2326.04 R.R.S. 2003 to be secured either by a surety bond or as provided in the Public Funds Deposit Security Act.

**SALINE COUNTY COURT**  
**NOTES TO FINANCIAL STATEMENT**  
(Continued)

**2. Deposits and Investments (Concluded)**

The June 30, 2007, carrying amount of total deposits, which included a checking account, was \$65,894. The bank balance was \$70,042. All funds were entirely covered by federal depository insurance.

**SALINE COUNTY COURT**  
**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON**  
**COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL**  
**STATEMENTS PERFORMED IN ACCORDANCE WITH**  
***GOVERNMENT AUDITING STANDARDS***

Ms. Janice Walker, State Court Administrator  
Nebraska Supreme Court  
State Capitol, Room 1220  
Lincoln, Nebraska 68509

We have audited the financial statement of Saline County Court as of and for the year ended June 30, 2007, and have issued our report thereon dated April 8, 2008. The report was modified to emphasize that the financial statement presents only the Agency Funds of Saline County Court prepared on the basis of cash receipts and disbursements. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered Saline County Court's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the County Court's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the County Court's internal control over financial reporting.

Our consideration of the internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified a certain deficiency in internal control over financial reporting that we consider to be a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination

of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control. We consider the following deficiency described in the Comments Section of the report to be a significant deficiency in internal control over financial reporting: Comment Number 1 (Segregation of Duties).

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the County Court's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe the significant deficiency described above is a material weakness.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Saline County Court's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws and regulations, noncompliance with which could have a direct and material effect on the determination of financial statement amounts; however, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We also noted certain additional matters that we reported to the management of Saline County Court in the Comments Section of this report as Comment Number 2 (Unclaimed Property) and Comment Number 3 (Overdue Balances).

This report is intended solely for the information and use of management, the Supreme Court, others within the Court, and the appropriate Federal and regulatory agencies; however, this report is a matter of public record and its distribution is not limited.
