Scott Nelson, Chairperson  
Village of Wolbach  
P.O. Box 97  
Wolbach, NE 68882

Dear Chairperson Nelson:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Wolbach (Village).

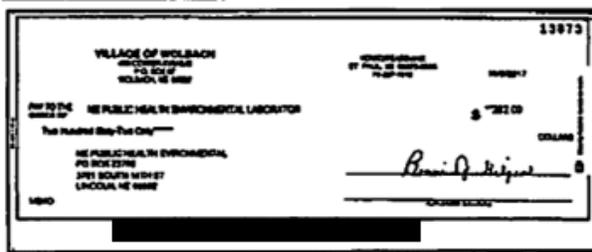

However, the Village's amount of disbursements for the fiscal year ending September 30, 2018, did exceed our normal threshold (\$300,000) for granting a waiver of the audit requirement. Due to the Village's submission of supporting documentation for certain large, one-time expenditures, which accounted for a sizeable percentage of the current year's disbursements, we judged the Village's financial activity for fiscal year 2018 to be sufficiently low risk to allow the audit waiver request. If disbursements for the fiscal year ending September 30, 2019, are similar to or greater than those for the prior year, though, an audit for 2019 may be required. This information is only for your consideration in planning for fiscal year 2019 and forward.

Additionally, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

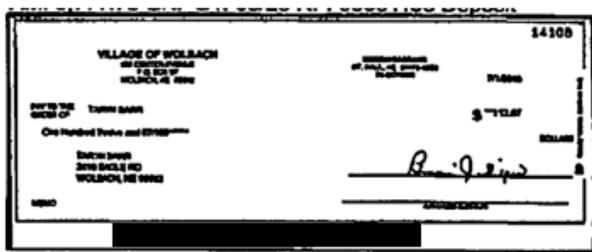

## **Comments and Recommendations**

### **1. Dual Signatures Required on Checks**

The APA obtained the bank statements for the Village's accounts from its fiscal year 2018 audit waiver request. From these statements, the APA noted that three Village checks, totaling \$534.67, written during the examination period contained only one signature. Examples of such checks are shown below:

AM: 262.00 CK: 13873 DT: 10/17 RF: 00002888 Paid

AM: 112.67 CK: 14108 DT: 08/06 RF: 00002133 Paid

AM: 160.00 CK: 769 DT: 06/12 RF: 00003635 Paid

State statute requires Village checks to be signed by both the Village Board (Board) Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2018) provides the following:

*All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.*

Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

**2. Lack of Claim Purpose**

During our comparison of the Village’s bank account details to claims approved by the Board, the APA noted that a majority of the claims listed in the Board’s official proceedings lacked descriptions of their respective purposes.

The following is an example of the approved claims listing provided by the Village for September 4, 2018:

Vendor	Description	Amount
Great Plains Communication		\$ 231.91

Neb. Rev. Stat. § 19-1102 (Cum. Supp. 2018) requires publication of the Board’s official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

*It shall be the duty of each village or city clerk in every village or city having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the village or city board, council, or commission within thirty days after any meeting of the board, council, or commission. The publication shall be in a newspaper in or of general circulation in the village or city, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122.*

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that the Board’s official proceedings describe the purpose of each claim allowed.

Without such procedures, there is an increased risk of not only failure to comply with statutory publication requirements but also a lack of transparency regarding the nature of public expenditures.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in the Board’s official proceedings and published in accordance with State statute.

### **3. Payment of Claim Prior to Board Approval**

During our comparison of the Village’s bank account details to claims approved by the Board, the APA noted that one Village check, totaling \$42.13, was issued before the underlying claim was approved by the Board.

Details of this premature payment are provided in the table below:

Name	Bank Account	Approval Date	Check #	Check Clear Date	Check Amount	Days Paid Before Approval
Viaero	General Account	9/4/2018	14198	8/15/2018	\$ 42.13	20

Neb. Rev. Stat. § 17-614(1) (Cum. Supp. 2018) sets out the proper method for the appropriation or payment of money by the Village, as follows:

*All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all members elected to the city council in a city of the second class or village board of trustees. . . .*

(Emphasis added.) Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

#### **4. Payment of Unapproved Claims**

During our comparison of the Village’s bank account details to claims approved by the Board, the APA identified numerous checks, totaling \$1,262.93, which were paid but not included on the claims listing to be approved by the Board.

These unapproved disbursements are summarized in the table below:

Name	Bank Account	Check #	Check Date	Check Amount
(Illegible)	Housing Account	776	9/12/2018	\$ 110.00
IRS	General Account	EFT	9/27/2018	\$ 1,152.93
<b>Total</b>				<b>\$ 1,262.93</b>

Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.
