Gary Bender, Chairperson
Village of Cornlea
34377 2nd Street
Cornlea, NE 68642

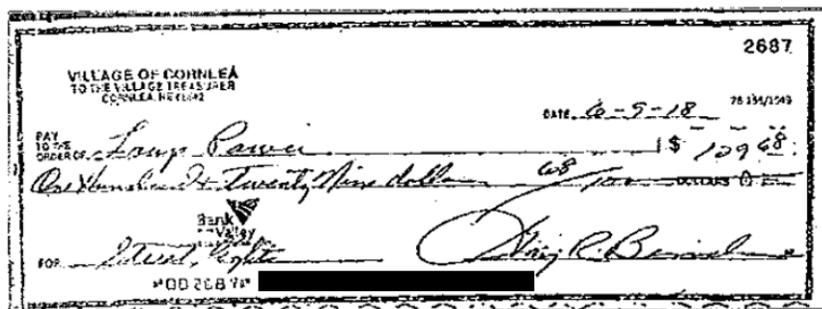

Dear Chairperson Bender:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Cornlea (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Dual Signatures Required on Checks

The APA obtained the bank statements for the Village's accounts from its fiscal year 2018 audit waiver request. From these statements, the APA noted multiple Village checks written during the examination period that contained only one signature. An example of such checks is shown below:

2687 - \$129.68 - 06/14/2018

State statute requires Village checks to be signed by both the Village Board (Board) Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2018) provides the following:

All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

Village Response: The village board has noted that the check policy will be made that must have the signature of the chairperson and the clerk. In the past our bank has only made us use one so we felt that was sufficient since all checks were written at the monthly meeting.

2. Payment of Unapproved Claims

During our comparison of the Village's bank account details to claims approved by the Board, the APA identified three checks, totaling \$180, which were paid but not included on the claims listing to be approved by the Board.

These unapproved disbursements are summarized in the table below:

Name	Check #	Check Date	Amount
Ken Schnitzler	2654	12/4/2017	\$ 60.00
Kory Vering	2651	12/4/2017	\$ 60.00
Gary Bender	2653	12/4/2017	\$ 60.00
Total			\$ 180.00

Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Village Response: There is a payment of \$20 per meeting for board members that is paid for every meeting and is noted in the minutes. The minutes were reviewed and our board put the pay structure in the minutes of our September meeting.
